The meeting was called to order at 7:00 p.m. by Vice President Patti Conlin in the absence of President Diane Friedman.

July 15 minutes were approved as corrected: under the librarian's report the "door" mentioned should be a "people counter". The treasurer's balance is \$774,405.30 rather than 714,405.30. (m/s/c Elliott/Wahl)

Susan reported a July 31 treasury balance of \$773,560.27.

Ann reported plans for refreshments for the book sale volunteers. There are usually six to eight volunteers at the sales. A sign-up sheet was passed for board members to provide snack-like refreshments. She also mentioned options used by the Orland and Willows libraries for disposing of discardable books.

She reported that the county cannot complete the computer program changes this year and said other adjustments will be made to compensate in the interim. Also the people counter has been repaired. In regard to scanners (proposed by a visitor in July) her position is that it would require too many staff hours.

A discussion was held regarding 3rd grade library tours. It was proposed that CFOL have book marks made to distribute to the children in those groups. (m/s/c Cobb/ Bomberg) Mary Wahl offered to check on expense involved.
